

# Making a Difference

*You can make a difference in the lives of adults with disabilities right now!  
Here are a few examples of how your donations can help:*

- \$50 One weighted lap pad to meet client's individual sensory needs.
- \$50 One set of assorted activity books. One set includes 4 books each with a different theme of puzzles, games and trivia. Our clients enjoy learning with activities such as crosswords and trivia rather than having information read to them.
- \$90 One chair for the WACOSA Senior Program at the Whitney Senior Center in St. Cloud. Sturdy metal chairs with vinyl upholstery and arms are needed for our senior clients. These chairs are comfortable, easy to clean and provide support when our clients sit or stand. Need 40.
- \$125 One washable weighted blanket to meet various individual sensory needs.
- \$300 One iPod to update the speaker system at our Waite Park site. One iPod is needed in each of three program areas. Need 3.
- \$500 One stationary bike for exercise and physical development.
- \$500 One under-counter refrigerator unit to improve meal preparation and help to improve medication administration. Need 4.
- \$600 One iPad for clients to use for activities including researching information on the Internet, playing group interactive games and watching informational videos.
- \$750 One commercial grade recliner chair. The recliner allows clients to be secure and relax while working with their colleagues. Need 2.
- \$1,000 One commercial grade washing machine or dryer for our Sauk Centre site to wash and dry materials used by the Can Do! Cleaning Crews after they clean at various local businesses. More than 550 towels and 25 mop heads are washed each day.

*You can make a difference!*
