

WACOSA's Workin' It!

Sponsorship Opportunity for 2019 1-5K Walk - Run

WACOSA invites you to be a sponsor for our 3rd Annual Workin' It 1-5K Walk-Run. In November, 2018, WACOSA began providing services to the former Independence Center, Inc. in Waite Park, MN. The Independence Center, Inc. (ICI) now known as WACOSA 1st Ave, held an annual walkathon for 20 years. We would like to honor ICI's yearly walkathon by continuing this annual tradition as one organization, WACOSA. This year with your help we hope to double the impact of this event.

The WACOSA's Workin' It 1-5K Walk-Run event raises awareness and money to support WACOSA's mission, "to provide individuals with disabilities the opportunity to work and live in their community." WACOSA serves over 675 individuals annually in Central Minnesota.

The 1-5K Walk-Run will kick off at 10am on August 10th, 2019, at Lake George in St. Cloud. This family friendly, noncompetitive, event is accessible to all ability levels. Rain or shine we hope you come prepared to have a great time!

Please join us in celebrating and supporting our **BIGGEST fundraiser of the year** knowing your gift has a long-lasting, positive impact to improving the lives of individuals with disabilities. Your sponsorship allows thousands of Central Minnesota community members the opportunity to view your business name and identify that you invest in individuals of ALL abilities.

If you would like to become a sponsor, or have questions regarding sponsorship, please feel free to contact Carrie directly at 320-257-5193 or email cpeterson@wacosa.org.

***Thank you in advance for considering sponsoring
this worthy and important annual event.***
