

At WACOSA there are no barriers too big, no dreams too small, no visions too wide to believe and achieve.

Support. Give. Empower. Sponsor

Hello from all of us at WACOSA! We hope this letter finds you healthy and safe. As the weeks pass, it certainly is true the spread of COVID-19 is testing our collective resolve and resiliency. These times have been difficult for all of us. However, certain populations are even more vulnerable to the threats the recent pandemic has created. As a result, the work we do at WACOSA, made possible by your support, is more important than ever.

WACOSA's 1-5K event is our biggest annual fundraiser. It raises support and awareness for the WACOSA mission "To provide individuals with disabilities the opportunity to work and live in their community." Our number one priority is the health and well-being of our clients, staff, and stakeholders, which is why we are taking this opportunity to switch up our event this year to a socially distanced reverse parade and drive-in slideshow where supporters can participate from the safety of their vehicles.

WACOSA's 2020 reverse parade is scheduled to kick-off at 10:00am on August 8th, 2020, at Tech High School. Your continued support and sponsorship shows thousands of people in Central Minnesota that you are committed to rising above the current, challenging times. Rest assured, your support will have a long-lasting and valuable impact on improving the lives of people with disabilities.

If you'd like to become a sponsor, or have questions regarding sponsorship, please contact Carrie directly at 320-257-5193 or email cpeterson@wacosa.org.
