Please be aware that although your order is very important to us, we cannot proceed without a signed art approval. Please take a moment and thoroughly examine your proof for errors. (ie: spelling, color(s), size(s), etc.) After proofing, send or fax back to our office. Upon receipt, we will continue with your order. All orders are on a tight schedule, so please respond in a timely manner. All changed proofs will be proofed until they are correct. Additional art charges may apply if changes differ from original information given.
