

To the WACOSA Board:

I would like to formally recommend Curt Gainsforth to be appointed as a director of WACOSA and serve on the finance committee.

Curt was a former board member of Independence Center before we absorbed that organization. He has a strong knowledge of the industry WACOSA operates in. Curt is well connected in the central Minnesota community and has a strong financial background, and is a vice president at West Bank operating out of their St. Cloud branch. Curt has a passion for being engaged in the nonprofit organizations he is involved with and I believe he would make an excellent addition to the WACOSA board.

Sincerely,

Jon Archer
