

WACOSA DEVELOPMENT COMMITTEE MEETING

Monday, October 7, 2024

1:30-2:00 p.m.

Attendees: Meghan Hines, Lindsey Rennie, Nancy Betts, Julie Haag, Sandie Westergren

Did not attend: Peggy Bayer, Connie Cross, Lori Johnson

Looking for someone to add to the committee that has a little experience to add to the group. Have one solid lead and one potential if the first person is not interested or not available. Do any vetting that needs to be done first. Also ask if there are one or two board members that would like to join.

Will share WACOSA Bash general updates at tonight's board meeting, what we earned and feedback. Just an overview.

WACOSA Legacy Society Member luncheon is next week.

Upcoming Give to the Max. Last couple of years have seen more success with promotion of board matching dollar for dollar up to a specific amount. Meghan speak to the board about 100% participation. Let them know the importance of 100% participation regardless of dollar amount. Is a requirement with some grants. Use whatever deadline is needed for marketing for the Give to the Max campaign.
