

2024 Stakeholder Satisfaction Survey

2024 trends: This year we sent out the survey electronically to 500 stakeholders and invited general comments. 65 stakeholders participated in the survey, a 13% response rate. Overall, stakeholders seem to be very satisfied with services. Comments from the survey were very complimentary of staff and what a great job they are doing.

No trends to note. 2024 responses are very similar to previous years.
