

2025 RECYCLING IMPACT SNAPSHOT

TOTAL POUNDS RECYCLED
963,966 POUNDS

Recycled materials include paper, plastic, textiles, cardboard, steel, aluminum, & wire.

8000+
TREES
SAVED

Enough to preserve entire forested areas and wildlife habitats.

4.5 MILLION
GALLONS OF
WATER SAVED

That's enough water to run 50 households for a year.

2.2 MILLION
KWH OF
ELECTRICITY SAVED

That's enough electricity to power over 200 homes for a year.

190,000
GALLONS
OF GAS SAVED

That's enough electricity to power over 200 homes for a year.

1,600 CUBIC
YARDS OF
LANDFILL
SPACE SAVED

That's over 120 garbage trucks diverted from landfills!

LOWERED
GREENHOUSE
GAS EMISSIONS

Comparable to removing over 300 cars from the road a year.
