

Dear Friend,

Each year, the WACOSA Bash brings our community together in support and celebration of adults with different abilities throughout central Minnesota. It is one of the most joyful and meaningful ways we highlight the importance of dignity, opportunity, and belonging for the people WACOSA serves.

This year's Bash will take place October 3, 2026, from 3-6pm at the Moose Lodge in Waite Park, and our theme is "Space for Everyone." It's a celebration of belonging and the belief that every person deserves a place to thrive.

We invite you to join the constellation of sponsors helping make this event possible. Sponsorships help fuel the mission of WACOSA and support programs that create opportunity, connection, and inclusion for adults with disabilities across our region.

Whether you are a long-time supporter or learning about WACOSA for the first time, your sponsorship is a meaningful way to be part of this special event and the mission behind it.

Together, we can help ensure there is truly space for everyone in our community.

Thank you for considering being part of the 2026 Bash.

In partnership and possibility,

A handwritten signature in black ink that reads "Meghan Hines". The signature is written in a cursive, flowing style.

Meghan Hines
